## Just Jewels...

*I hope everyone has enjoyed their Holiday and brought in the new year with a BANG! I sure did!  
I have resolved to get my patootie in gear and make some changes in my life: eat healthier, workout, organize, organize and ORGANIZE! My house is a mess, my desk is cluttered and I need to find my way out! I have made my to-do list for things to do at home + I have my scrap-booking to do list.*

- 1. Go thru and purge your "old" and "I will never use" supplies.*
- 2. Use the extra large zip-locks to organize future layouts; ie, put your paper, stickers, embellies and photos together.*
- 3. Do at least two 2-page layouts each month*

*I hope this will help you out too!  
~Julie*
